Good afternoon,

Following a search conducted by the Department of the Treasury, we have determined that the attached documents are responsive to your Freedom of Information Act request, Treasury FOIA number 2016-03-104, and the related case, Civil Action No. 16-cv-1256, American Civil Liberties Union v. CIA, et al. The Department is in the process of coordinating with a few other agencies regarding a limited number of records. If those records are found to be responsive and non-exempt, we will produce those to you as soon as our coordination process has been completed.

Thank you,

Christina McMahon  
Office of the General Counsel (Enforcement and Intelligence)  
U.S. Department of the Treasury
